BRIEF HISTORY OF THE COLLEGE

The YMCA College has a fascinating history. Realising the need for trained leaders in the field of Health, Physical Education Sports and Recreation, a training centre then known as the School of Physical Education was established in August, 1920 at the Central YMCA, Chennai. In 1924, the school was shifted to Royapettah YMCA where facilities for training were available. In 1932, the School was shifted to Saidapet. Here the School with many additional facilities became a full-fledged College of Physical Education, the first of its kind to be established in South East Asia.

Thousands of leaders in Physical Education from various states of India and countries like Burma, Nepal, Sri Lanka and even from far away countries like Egypt, Iran, Ghana and Mauritius have passed out of this college. From 1940, women are also being trained at the college.

Today the YMCA College of Physical Education, as an autonomous college, stands as a monument to the missionary vision, courage and faith of its founder, Late Harry Crowe Buck.
