

# The National Council of YMCAs of India Y.M.C.A. College of Physical Education

**A Project of the National Council of YMCAs of India**

(Autonomous College Affiliated to Tamil Nadu Physical Education & Sports University)

Registered under UGC Act

## 1.1.1 Details of

- A. The procedure adopted including periodicity, kinds of activities:** A. The institution, an Autonomous College affiliated to Tamil Nadu Physical Education and Sports University, offers programs and courses at UG and PG levels. The procedure adopted includes periodicity and kinds of activities. All programs have specific objectives, and the complete program design guarantees the realization of specific and measurable outcomes. These outcomes are in the form of skills and competence that students graduating from the institution should gain at the program's end. Detailed key achievements anticipated from students include acquaintance, skill development, good communication skills, imaginative and creative thinking, self-restraint and discipline, inculcation of decent and moral ethics, aptitude to work in teams, and critical thinking.
- B. B. Communication of decisions to all concerned:** The minutes of the BOS and academic council meeting were sent to faculty. The syllabus is prepared in hard copies by management, which is distributed to each student and faculty member. A copy of it is kept in the library, and the soft copy of the syllabus is uploaded on the college website.
- C. C. Kinds of issues discussed:**
- Attendance monitoring of course students.
  - Addressing hostel-related issues.
  - Resolving student difficulties.
  - Overview of upcoming programs and their implementation procedures.
  - Allocation of staffing responsibilities.
  - Reviewing the timetable and faculty availability.
  - Verification of course outcomes inclusion in syllabi, website sharing, and dissemination to students and faculty.
  - Ensuring all institution courses emphasize academic excellence.
  - Ensuring course outcomes focus on preparing students for higher education, research, employment/entrepreneurship, and competitive exams.
  - Ensuring the course structure facilitates competency development in students for success in competitive exams, covering both practical and theoretical aspects.
