## EXTRAMURAL REPORT -2020-2021

Participation in games and sports are always enjoyable. The Teacher Trainees gain experience in organizing different tournaments. Students from our college use to participate in various games and sports organized by different institutions in and around Chennai. Moreover, they use to participate in the Intercollegiate Tournaments organized by affiliated colleges of Tamil Nadu Physical Education and Sports University, out of which the University team representing the Tamil Nadu Physical Education and Sports University in the Interuniversity tournaments will be selected. Due to pandemic situation this year no such tournaments were organized.

Extramural competitions help the students to develop the base of knowledge in their own game of choices. It also helps in developing the experience in competing different games and sports. It also helps in the development of sports manship. It also provides the knowledge of new rules and regulations and their interpretations. It gives vast knowledge on organization and administration. Students learn to adapt to different playing conditions and environment.

The only tournament organized this academic year (2020-21) is by the Tamil Nadu Physical Education and Sports University.
