Y.M.C.A. College of Physical Education

A Project of the National Council of YMCAs of India

(Autonomous College Affiliated to Tamil Nadu Physical Education & Sports University)
Registered under UGC Act

2.2.2: Mechanisms are in place to honour student diversities in terms of learning needs; Student diversities are addressed on the basis of the learner profiles identified by the institution through

1. Mentoring / Academic Counselling: Students mentoring academically are very much available in the college. In the beginning of the academic year the management with the help of Principal and IQAC coordinator nominates the mentor for each class with the number of students admitted. Each mentor is responsible for maintaining the attendance, sanction of OD, permission to go home etc.

The mentor maintains the record of Continuous assessments, i.e. CIA-I, CIA-II, CIA-III, Assignment, Pre-semester and the internal marks completely along with the semester attendance.

They maintain the record in the prescribed format given by IQAC and in the end they counsel and guide the students regarding their internals, shortage of attendance, slow learning etc.

The concerned mentor tries to maintain any disciplinary act and communicates to their parents and speaks personally to the student and parents and brings their problems to the Principal for action

Remedial Learning: The college library and COE office maintains a set of question banks which are made available at the very beginning of the semester. Queries raised up by students are explained by re-explaining the area at a time where student can take the subject more easily.

Our college is purely residential and students are directly also responsible under one Warden and four Sub-warden and one Deputy warden for men students and one Warden. The hostels have got a mini library with subject books. Students at night could access the books in their respective hostels.

Learning Enhancement / Enrichment inputs: The classroom atmosphere is set aside favourable to make beginners feel free to share their thoughts and to have a strong conversation. Adequate number of books, Journals, e-journals and e-books are available in the library.

The research journals are accessible online and competence for accessing these journals is provided through surrogate server in the campus. In a months' time of joining the college the academic time-table for theory and practical hours, lesson plan, college calendar, syllabus are distributed to all the students in the start of the academic year.

The guides for the research project and students are updated in recent trends in the use of ICT-enabled research in performing literary search, collection of data, documentation, and statistical analysis (SPSS)

Collaborative tasks: Students are permitted to undergo State level and National level clinic in various games and sports and we also come of Sports Associations to conduct clinics and make the students to under the practical and theory exams in those games and upgrade as state and National officials. We also permit student NIS Certificate in month of December – January and May-June by granting On- Duty.

Multilingual interactions and inputs:

Teachers make use of Regional language when on demand and Hindi is also spoken by the teachers when on demand otherwise English is the medium of instruction. UG students are permitted to write their exams in the regional language as per the guidelines of the government of Tamil Nadu.
